Subject: Extension of facility of Salary Accounts under Defence Salary Package to the Defence industrial/Non-industrial Civilian employees – Representation of Bharatiya Pratiraksha Mazdoor Sangh (BPMS)

BPMS vide their letter ref. no BPMS/MoD/186(8/1R) dated 9th May 2015 (copy enclosed) addressed to Defence Secretary has informed that the Heads of Department/ Heads of Offices of the Defence installations under Army, Air Force, Navy, DDP, DRDO, etc have got the salary account opened in the nationalized banks (including SBI) for direct credit of salary/allowances payable to the industrial & non-industrial civilian employees under their control.

2. BPMS has pointed out that SBI provide some special privileges/facilities (copy enclosed) to such salary account holders who are drawing Defence Salary Package (DSP). However, such privileges/facilities are not being given to the civilian employees of these defence installations. The Federation has requested to take steps so that industrial/non-industrial civilian employees are also provided similar privileges/facilities while operating their Salary Account with the public Sector banks.

3. In this context, it is informed that the PAO/Accounts Offices attached with various Ministries/Departments/ Organisations of the Government of India have made arrangement with the nearby banks where the salary and allowances payable to the employees working in the concerned organisation, is credited each month. As per practice, these banks are normally providing most of the facilities/privileges to such salary account holders, as are listed by the Federation. From the letter of BPMS, it seems that employees of some organisations/establishments are not being extended similar facilities to the salary account holders by the disbursement bankers.

4. It is requested that all the PAO/Accounts Offices may be advised to pursue this issue with their Disbursement banker and persuade them to open the salary of all the Central Govt. employees of the conc. Organisation under the Central Govt Salary Package and extend to them similar privileges/facilities, as are given under DSP.
