**Sub: Prefix category code in r/o Risk and cost contract.**

**Ref: This office letter of even no dt. 05/09/2014**

In the above context a copy of CGDA office letter No. A/I/9084/XXXII dated 12/08/2014 on risk & contract Management (copy enclosed) was forwarded to your office and advised to operate prefix code head '45' while booking expenditure on account of Risk & Contract Payment.

You are further advised to identify the existing booking on account risk & cost job where payment has been made over & above the administration approval. In all such cases Amount booked over & above AA on a/c of risk & cost may please be withdrawn from the job code head effected and booked them in same job code head with prefix category code head '45' though TE for identifying the expenditure occurred due to risk and cost job.

A detailed list of expenditure of jobs so adjusted may please be forwarded to this office by 28<sup>th</sup> Dec. 2014 for perusal of PCDA.

Add. CDA Has seen.
